

Product ECCN Matrix

Wind River's U.S. export classifications are based on unmodified products and services that are commercially-available from Wind River. Export classification information is subject to change without notice. Any use made of Wind River classifications is without recourse to Wind River and shall not be construed as a representation or warranty regarding the proper ECCN. Your company may be the exporter (or re-exporter) of record, and as such, in accordance with the U.S. Export Administration Regulations (EAR) and other trade regulations, your company is responsible for determining the correct classification of any item at the time of export.
