

WIND RIVER ON-DEMAND LEARNING

Wind River® On-Demand Learning provides a well-rounded variety of educational self-study materials. Our catalog of online courses includes highly advanced and specialized topics that help solve some of the toughest challenges in designing state-of-the-art intelligent systems.

BENEFITS

Questions and issues can crop up at the most inopportune times. Embedded engineers need convenient access to detailed technical information and advice, but they may not have the time to attend a live class. Wind River On-Demand Learning can help. Anywhere you have an Internet connection, you can access technical courses, download task guides, and ask questions of expert engineers, enabling you to

- Save time. Access your subscription at any time, from the convenience of your desk, home, or coffee shop.
- Use your Wind River products to maximum advantage by gaining insight into advanced topics that aren't covered elsewhere.
- Get the answers you need. With forums moderated by field-experienced expert engineers, your deeply technical questions get thoughtful, accurate answers.

IN-DEPTH TECHNICAL RESOURCES

- Anytime, anywhere access
- 24/7 support for using the online materials
- Advanced and specialized tutorials
- Quick-tip videos
- Leading-edge technology overviews
- Glossary of technical terminology
- Forums moderated by experienced engineers
- Quizzes to confirm understanding
- Downloadable how-to guides for specific tasks
- Up-to-date courses and resources that are added continuously
