1.3 "**Confidential Information**" means: (a) the Software; (b) the technology, ideas, know how, documentation, processes, algorithms, and trade secrets embodied in the Software; (c) all software keys related to the Software; and (d) any other information, whether disclosed orally, in writing or on magnetic media, that: (i) is identified as "confidential," "proprietary" or with a similar legend at the time of such disclosure, and, if disclosed orally, is confirmed in writing as confidential within thirty (30) days of the date of initial disclosure, or (ii) should reasonably be understood to be confidential based on the nature and circumstances of the disclosure. Confidential Information does not include any information that Customer reasonably demonstrates is: (i) published or otherwise available to the public other than by breach of this Agreement by Customer; (ii) rightfully received by Customer from a third party without confidentiality limitations; (iii) independently developed by Customer as evidenced by appropriate records; (iv) known to Customer prior to its first receipt from Wind River as evidenced by appropriate records; (v) hereinafter disclosed by Wind River to a third party without restriction on disclosure; or (vi) approved for public release by written authorization of Wind River.
